

My family has recently learned that one of our favorite stations, K-Love is in danger of being dropped. This really saddened us, as K-Love serves us in the Chicagoland area, and is a large part of our lives. If K-Love was displaced by an LPFM broadcaster, there are few other options for quality Christian radio programming. I have heard several stories in which K-Love has had a positive impact in people's lives. I think it would be a great tragedy if K-Love was displaced. I believe that K-Love is in the public interest because we have few slim choices for encouraging, family-safe, and enjoyable radio programming. These choices are rapidly going away all together. I believe our family speaks for all K-Love listeners when we say K-Love provides one-of-a-kind family-friendly and uplifting radio programming that needs to stay on the air. Please do not displace K-Love.
